Midlife Crisis
>oo

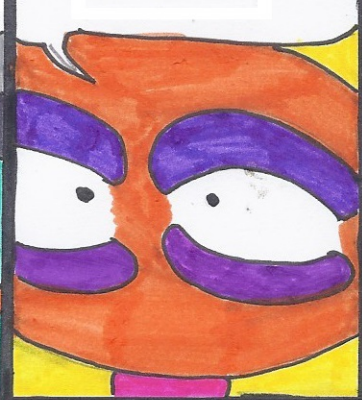

All un-connection to reality is absolutely coincidental

Where am I?

Did it work?

I am sorry, Oleg.
I needed another body...
Luckily, you've come here for
those election campaign songs.

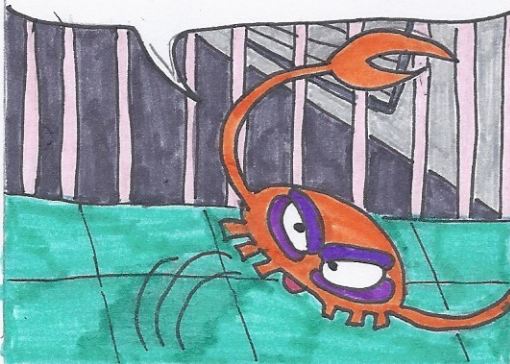

What happened to me?
I can only move to the side!!!

I used to be able to jump and run...
But now?
What happened to my body?

I miss the young and beautiful
body I used to have!

OK! I can't waste any
more time! I must beam
myself up to
the Lulz
ship!

Longcat!
Good that
you're here!

Nya!!

Don't pretend
like you can't
talk! It annoys
me!

Nya!!!

I know, you are angry
because of what I did
to Oleg Spawlowskey,
or Ogel Schlopowskey,

for whatever his name was,
But he will get his body
back, once you'll return
mine to me!

Nya!!

What's wrong? You're
the only cat who can do
it, aren't you? I know I
want to enslave the
entire known
universe and...

You have no idea what's
going on, huh?!?!? Parading
around as Igloo Splopowskey,
like all you need to do is to go
back to your own body and
everything will be the same
again?????????

What happened?
What could be worse
than me?

The Chan's city

The last place
that fell.

The Most
Evilests?!?!

Yes! The Most Evilists! Fax Reggae has been working with them since the day he got elected! How long haven't you seen the news????

Fax Reggae?! The same guy who cried his eyes out at the monument for the kittencaust?

Puppies.

4TO puppies?

they're killing puppies now. That's why they've become everybody's friends. This includes all kittens, even the nyans.

Wait a minute. Why would the world support the genocide of the poor puppies?

Because sometimes, big dogs can bite

What???

Every puppy may grow to be a biting dog. They want to prevent it before it happens, by a final solution, exterminating all the puppies.

Who would agree to this insanity????

Everybody who used to be in your resistance. This is what happened after you got rid of everyone in the universe who could think and left only people who are easy to influence. And don't forget the suicide puppies

Who the hell are the suicide puppies???

Deserted puppies. They assist the puppy-genocide and promise to kill themselves when only they remain. They murder kittens that protest against the puppy-genocide

Why don't they attack the dangerous big dogs first?

Not only they're not attacking them They're sending them weapons!!

You fucking shitting me???????

Pushing the baby out of an airlock...

Maybe try to say any syllable beside "Waaaaaa"? All that I have to look forward to is another one of these....

Waaaa
aaaaaaa
aaaaaaa

Like showed up one time to deliver him a package, and was gone ever since....

I'm young!
Young!!!

So what if I passed the age when you can no longer lay eggs?! It doesn't mean anything!!!

He is like that for some time...

But what about Lolo? He has another 2,000 years to be still a kid!!

Responsibility!!! Why did I take a responsibility??? And after the birth I will be thin again....

Ksoooo! I make sure there will be a new generation too late... But what about those who are not parents?!

Why none of my researches are being published? I do not even know what I want to specialize in... Is there any hope for my career?

How didn't I see that coming???

That's it' Longcat!!! I have had it with you!!!

I know how much you love that non-interference policy, but this time you went to far Letting me and Grizelolda to run wild is one thing! But a dictatorship of the Most Evilists??? How is that not an emergency that justify your interference?!

My powers are blocked....

How could your powers be blocked???

It has to do with the master that Fax Reggae serves. When he came to power he appointed a "defense minister" and gave him absolute power "until the end of the war".

No one is capable of...
Wait... Don't tell me....

Who could he possibly serve?

Mohahaha!!! Bring me moar puppies!!!

Stupid Xenu and Grizelolda! What's the point of being a dictator if the subjects are not terrified of you?? Different sects my ass! It was only one of Grizelolda's schemes. As soon as I showed up all of the Most Evilists united!

People of the universe! Here is your undisputed dictator! You're being requested to.... **DIE OF FEAR!!!!!!**

Yes Master!

So you can't give me my body back?

Your only way to go back to your body is to defeat Tacgnol. Defeat him, and you'll get your young and handsome body back...

How could I save the world with this body? How could I do anything with this body???

He is back! Than you ceiling cat! ?

I've found a few moar!

Very good!

This is getting moar and moar dangerous.

Fax, what do you have to say about the last dogie-basement that has been discovered?

Simply shocking...

They followed you!

You need to understand that these people have nothing but hate in their hearts.

They hate the civilized world so much that they are willing to protect puppies!

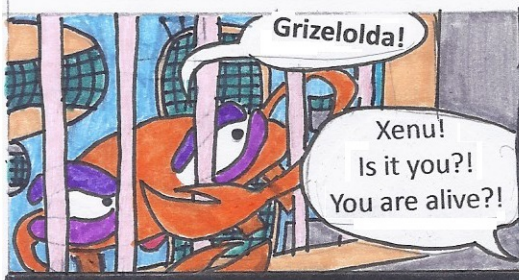

When they see a hungry, wounded, sick and freezing puppy, instead of being happy and compassionate, instead of having children, so there will be moar aliens who are not puppies, instead of filling their life with love – they feed the puppy and take care of it.

You need to understand, they don't only hate us – they hate themselves. It is very sad, but we can still restore these people to the right way.

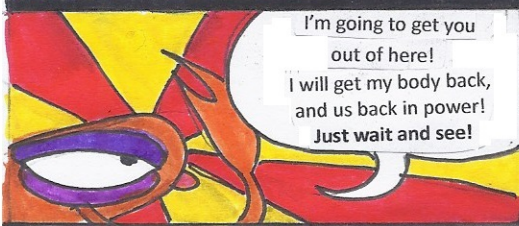

And we are going to take care of them...

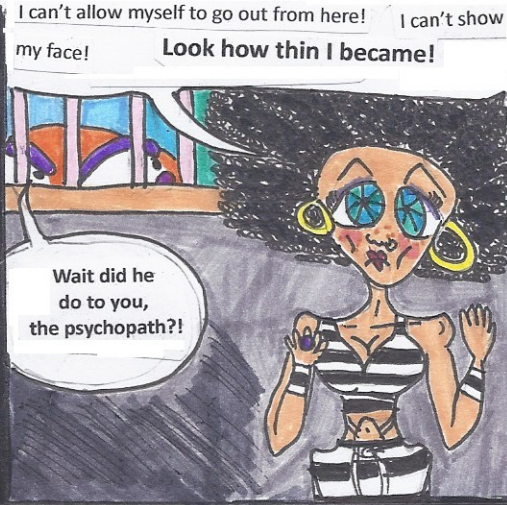

Grizelda!

Xenu!
Is it you?!
You are alive?!

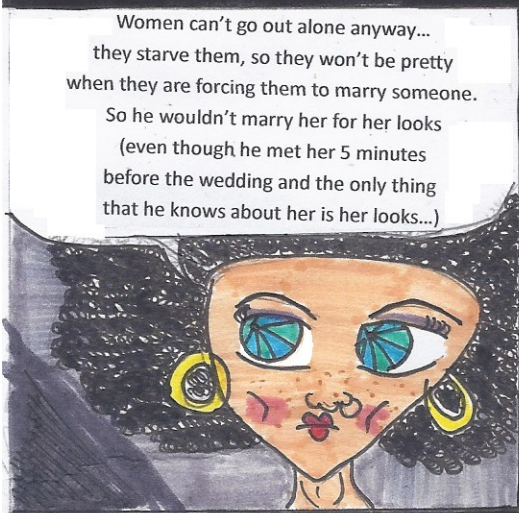

I'm going to get you
out of here!
I will get my body back,
and us back in power!
Just wait and see!

I can't allow myself to go out from here!
I can't show
my face!

Look how thin I became!

Wait did he
do to you,
the psychopath?!

Women can't go out alone anyway...
they starve them, so they won't be pretty
when they are forcing them to marry someone.
So he wouldn't marry her for her looks
(even though he met her 5 minutes
before the wedding and the only thing
that he knows about her is her looks...)

So we're lucky that you are in prison,
So they won't force you to marry someone.
But don't worry, I will get you out of here!

Ok! I must wake
the LuJz up...
But how... Hmm...
I have an idea!

Are you sure? But...
the videos I am editing
are really bad....

Never mind!
Do it now!!!!!!

You have become
strangers to love

Forgot the rules,
forgot me too.

Xenu
is back!

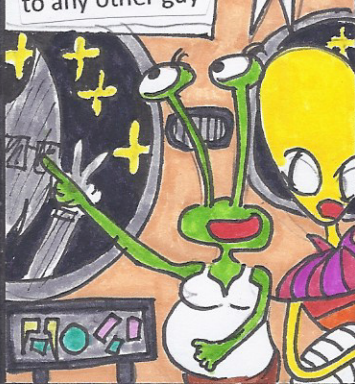

You don't know what a full
commitment's about

You wouldn't
listen
to any other guy

Xenu!!!

I just wanna tell
you how I'm feeling

Gotta make you
understand!!

Xenu... You're alive?!
The... Baby was with me
all the time! He's only at
his dad's on Wednesdays!!!

You have given up
You have let me down

You have run around
and desert me

You have made me cry
You have said goodbye

And you told me
lies and hurt me

Hi ppl,
it's Xenu!

of course! Oleg Spavlovsky!

We're coming,
Xenu!!

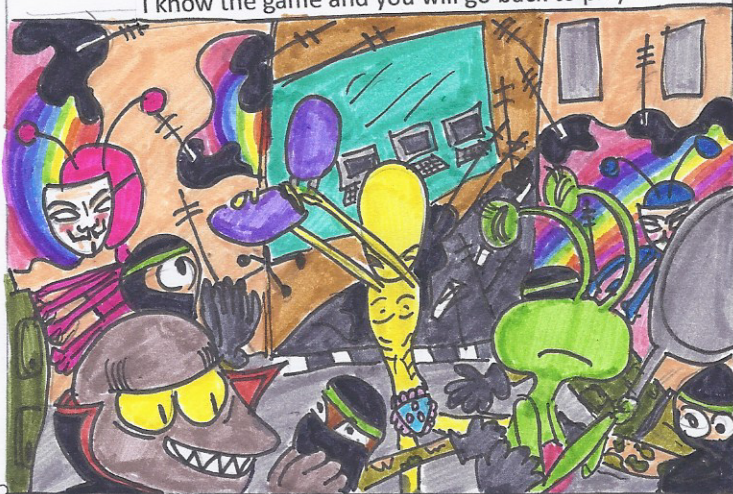

We've been protesting for so long
Your heart's been aching
and you're too shy to carry on

If Xenu can defeat death,
we can defeat old age!

Inside you I know that it's still going on
I know the game and you will go back to play it

And if you ask me
how I'm feeling

Everybody to the spaceships!!

Huh?!

Don't tell me you're
too blind to see

Never gonna give you up

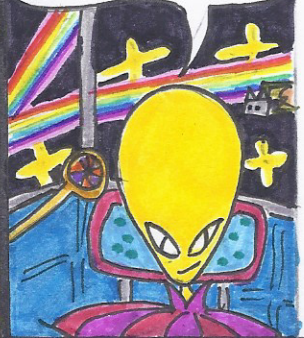

Never gonna let you down

Never gonna run around
and desert you

The branch of the Most
Evilests that follow me...

FUCK OFF!!!

Never gonna make you cry

Never gonna say goodbye

Never gonna tell a lie and hurt you!

That's right! This time we're giving it
all we got! To the Most Evilests and
their helpers! Get out of our universe!!!

This was difficult...

Hey! Look at that!!

The Luz!!!
But how do they have the time?
I thought they have kids...

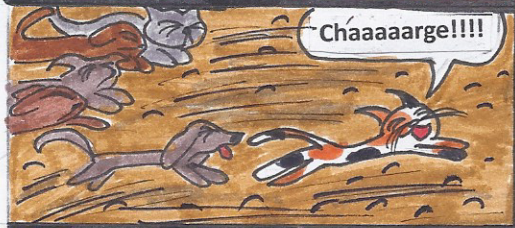

And read "Fragment", kids!

But it is written in Hebrewglyphs!

Peace agreement!

Chaaaaarge!!!!

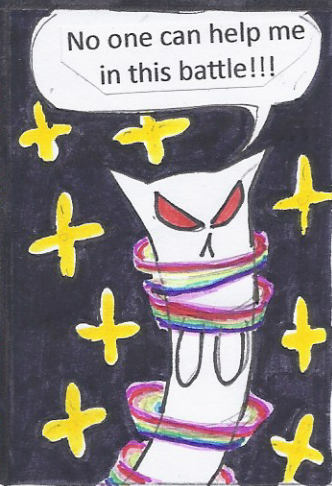

I'm coming to heeeeeelp!!!!

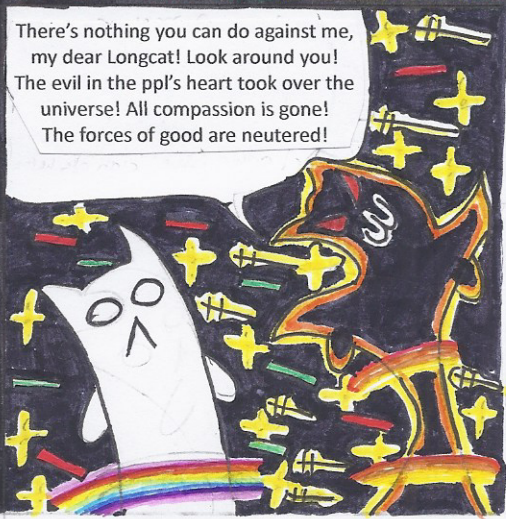

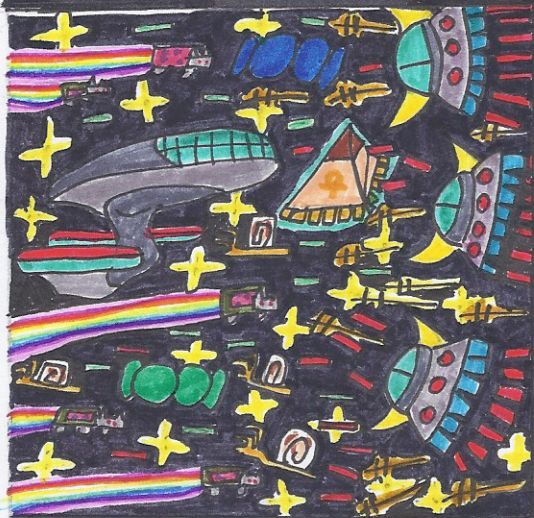

Longcat! We're coming to help you!

Waaaaaaa
aaaaaaa
aaaaa!!!

No one can help me in this battle!!!

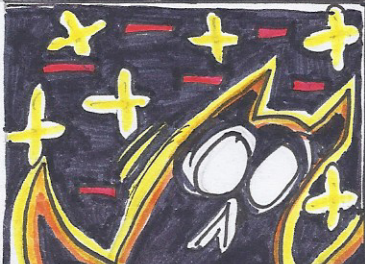

You look at the universe! Xenu's song evoked the spirit of protest in everyone! The Lulz and their supporters came back to themselves! Xenu managed to unite everyone! He is a real leader and his subjects are following freely,

not out of fear and terror like you!

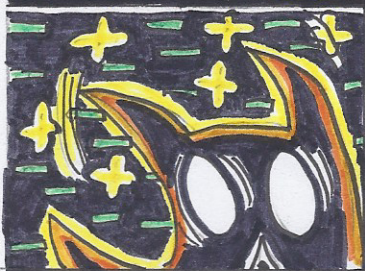

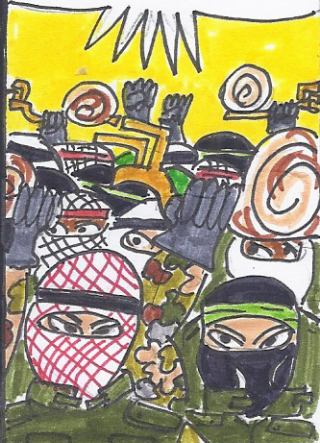

Help!
We're melting!

The Most Evilests!
You must defeat them!
Think of all the genocides
you could do!

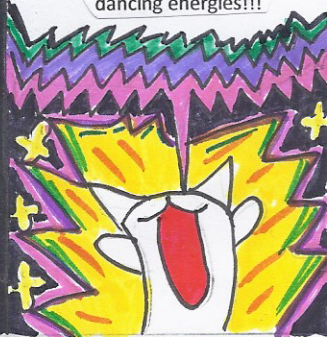

Yes sir!

Everyone!
Start dancing!

I need your
dancing energies!!!

It's difficult to reach the console with a broken leg...

Computaaa! Shoot Tacgnol!
Shoot Tacgnol!!!

Tacgnol's arrows are passing through the spaceship!!

Oh no! One of them has hit the baby a bit!

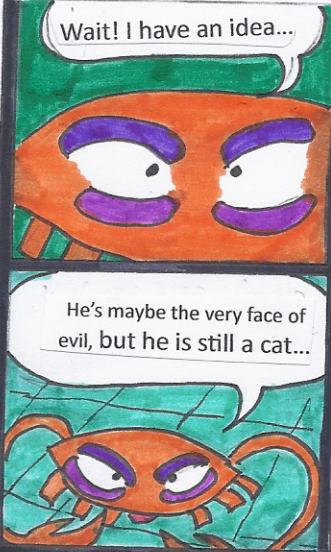

We have a right to be proud of the achievements of World War II.

Wut to do... wut to do
against Tacgnol...

Wait! I have an idea...

He's maybe the very face of
evil, but he is still a cat...

It's true that we lost the war, and turned
the continent to burninating ruins, but we
had some achievements in the field of thinning
out the population that one can't ignore of...

What
is he
talking
about???

We are trying to come up with new, original ideas,
and alternatives like going back to
traditional family values...

Listen, Lulz!

I have an idea!!!

LULZ!!!!

Everything
is the media's
fault, and I say that
in the newspaper!

Lulz 8

part II

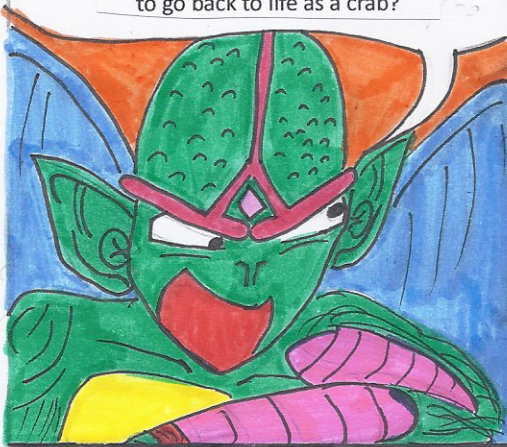

Lulz - 8

Midlife Crisis

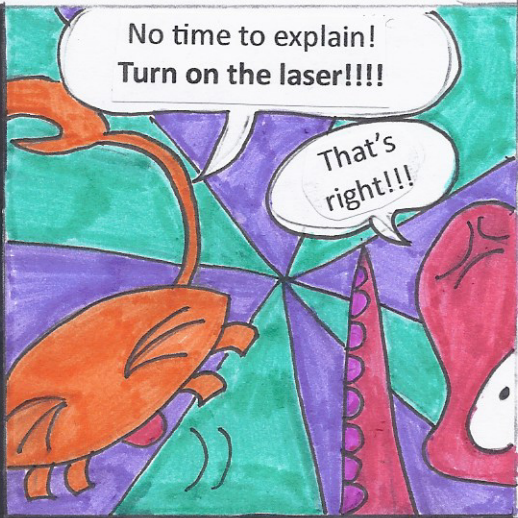

Part II

Xenu! So how did you manage to get back to life as a crab?

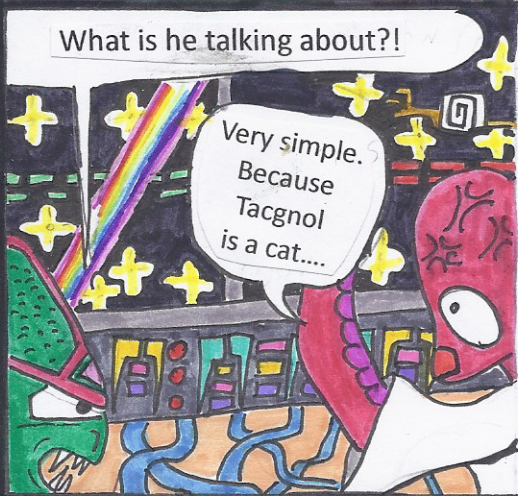

No time to explain!
Turn on the laser!!!!

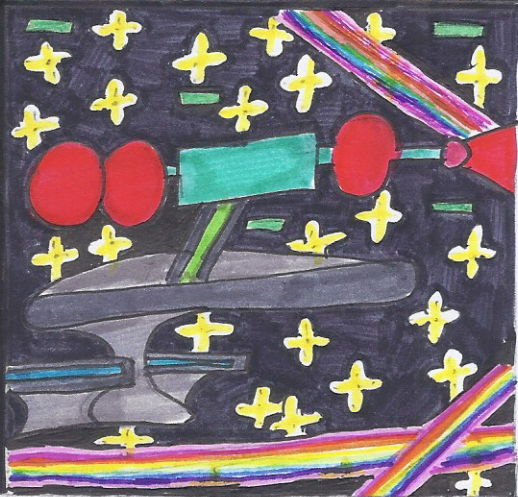

What is he talking about?!

Very simple.
Because
Tacgnol
is a cat....

Get going already!!!

It always works!
Look! Tacgnol is
completely
neutralized!

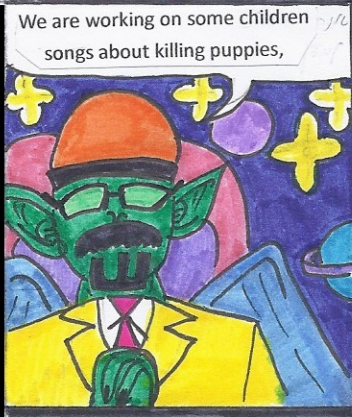

All spaceships,
Tacgnol has been
neutralized!
Capture
Fax Reggae!

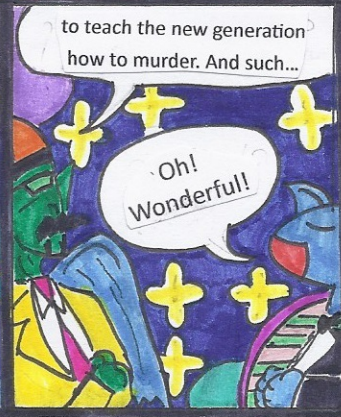

The Most Evilests! I... like...
really need you right now...

I'm going to get back at
you for that interview!!

We are working on some children
songs about killing puppies,

to teach the new generation
how to murder. And such...

Oh!
Wonderful!

La la la killing puppies! A big dog is a dangerous thing,
but you wouldn't know what danger a puppy can bring...

A-ha! It was
me all along!
And I made you say
stuff that are
objectively bad!!!

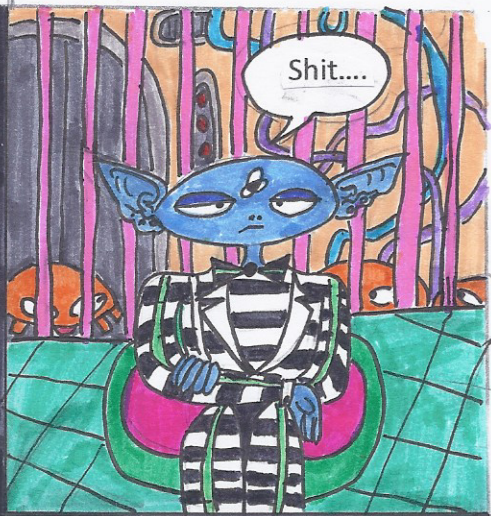

I am not
embarrassed
in the least...

Where are the five stones of history that you stole from us while we were in a midlife crisis?

If you kill me, you will never know...

Shit....

Longcat! Hurry!
You must beat the Most Evilists,
there are too many of them!

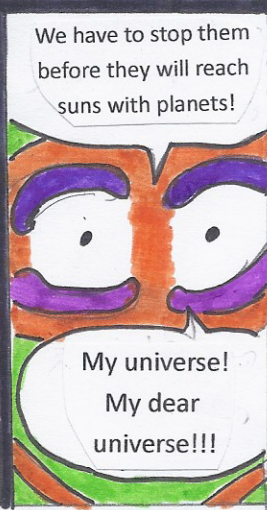

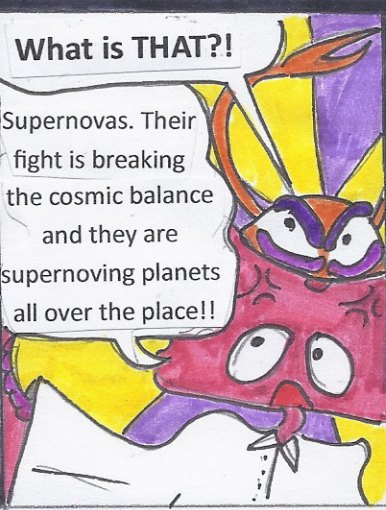

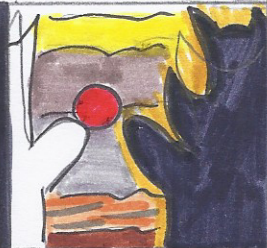

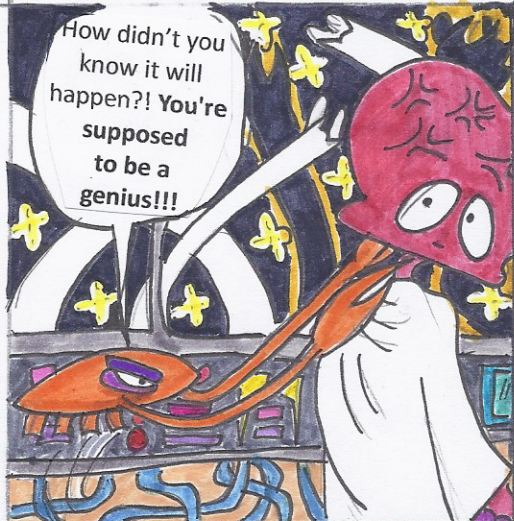

Longcat?!

Oh no!
It neutralized him too!!!

Supernovas. Their fight is breaking the cosmic balance and they are supernoving planets all over the place!!

Take that,
the Most
Stupidests!!!

This is their plan, they
are making their countries
sucks on purpose,
so ppl will want
to immigrate here!

This is an
invasion!

A birth is
also an
invasion!

Oh no!
Not now!!!

Are you kidding me?!

Foreign policy
is only an option...

Locolo! The baby is coming! I will also put
you a cast on! Crabs! You have the bridge!

But the
super-
novas!

I just said that mercy
killing of a baby with
2% disability is a
gray area...

Up
off

Oh no!
He got stung by
Tacgnol! It we won't
cure him, he will stay
this way!!!

Why is it happening?
I took all of the birth control!
I also passed the age....

Oh no! You wanted to be
young too much and it cause
you to lay an egg anyway!!!

Oh shit! You're too scared of responsibility!
You have no chance to get this baby out!
We must operate!

Locolo is neutralized, it will take him
time to achieve maximal opening of his
mouth... The snail and Longcat are not here...

Lulzy! You must choose
who of your kids will survive!!!

Oh no!!! All of my biggest nightmares
about responsibility are about to come true!!!

Why nowadays
you cant take
students outside
of the class and
shoot them?

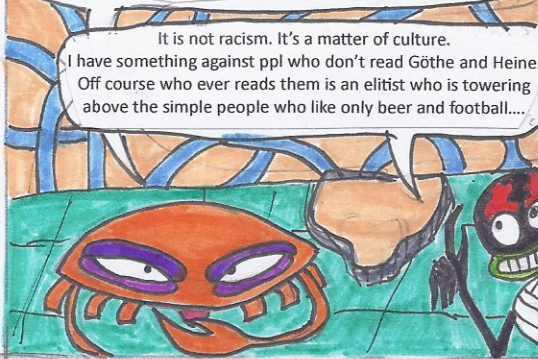

When Shakespeare writes: "
Banquo and Macbeth,
all hail!" It's Ok, But when
I use this word...

Oh no!
The Lulz are n
eutralized again!

Why taking care of their kids is moar important
to them than saving the universe? If there
won't be a universe, there won't be kids too!
I mist act alone!

It is not racism. It's a matter of culture.
I have something against ppl who don't read Göthe and Heine.
Off course who ever reads them is an elitist who is towering
above the simple people who like only beer and football....

I must stop the cats! Go to the side...
Not forward... Sideways... Stop the cats...

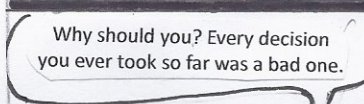

Where am I?!

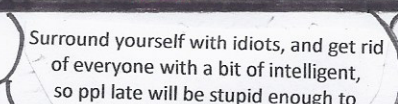

Where would you like to be?

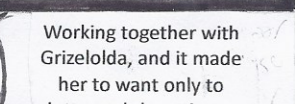

I want to stop the long cats!

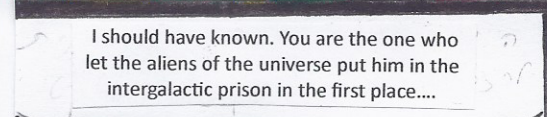

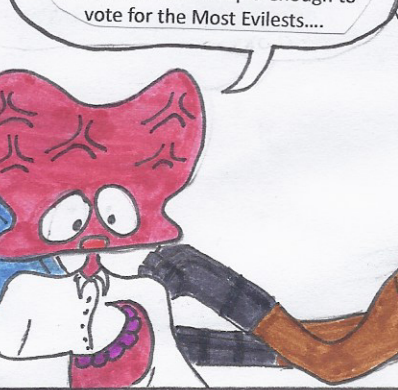

Why should you? Every decision you ever took so far was a bad one.

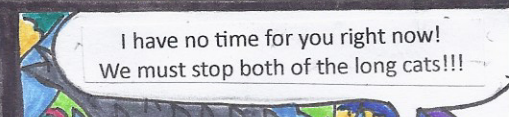

Surround yourself with idiots, and get rid of everyone with a bit of intelligent, so ppl late will be stupid enough to vote for the Most Evilists....

Working together with Grizelolda, and it made her to want only to destroyed the universe.

I should have known. You are the one who let the aliens of the universe put him in the intergalactic prison in the first place....

I have no time for you right now! We must stop both of the long cats!!!

What for? To live under your dictatorship instead?

This is the lesser evil!
You must cooperate with me on this.

How many times have we worked with you because it was the lesser evil? In what way are you less of a dictator?

Have you gone mad!?
Do you prefer supernovas!?

We'd be happy to help you, but you're the one who wanted us to grow the second generation of Lulz.

And right now we're so busy taking care of them, that we don't have time to make sure there will be a universe when they grow up.

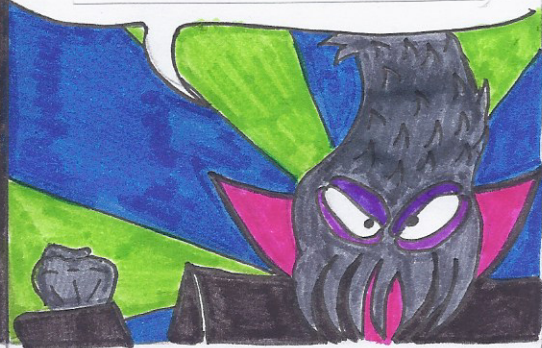

bzzzzzzzzzzz....

It makes no sense!

Wait... This is only a midlife crisis!
Those are just voices in my head!
I must ignore them!!!

Like you always ignore things?

Huh?!

You don't love me for real,
you only used me when it suited you.

I have no time for this...
Hey! What are you doing here?

This makes no sense!
Is it three tubes or
two legs??
I must know!!

It is both 3 tubes and two legs at the same time!
There is moar than one possibility!
Learn to open your mind, snail!!!

If I think that the majority
of the population is
anti-patriotic, doesn't it make
me anti-patriotic towards
the majority?

But how can it be both at the same time???

Because one of them is Longcat
and one of them is Tagno!!

If "we want our country
back", does it not mean
that we are now against
our country?

This is how the universe works!
Now you've gotta get me out of here!!!

Noooooooooooo!!!
The responsibility!!! Responsibility!!!!

If I need to choose one of two kids, it must be the younger one, but what if they are both babies???

You're here too?

What is it? Is everyone in a catatonic state today?

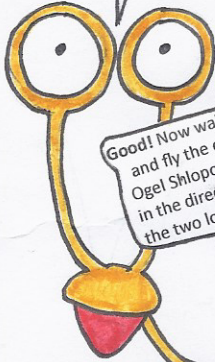

I had enough! Listen, snail!

If the stupid aliens believe an illogical explanation why one should kill other aliens - it's the most logical thing in the world!!!

That's right!!

Good! Now wake up and fly the crab Ogel Shlopovsky in the direction of the two long cats!

I think this is Oleg Shlopovsky....

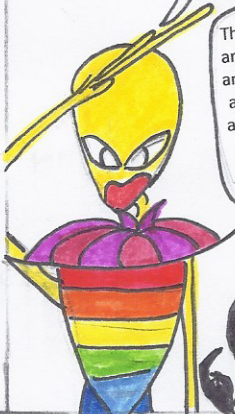

MOVE!!!!!!

And you, cut the crap, and go to help Lola cure both of your kids, *and* Lola, *and* Locolo! Use the crabs as helpers! Maybe you wouldn't make it, and you would loose some of the patients, but the worst would be if he'd have to take care of you too!

Sir! Yes sir!!!

The immigrants are homophobic and chauvinistic, and those who aren't like that are harming family values!

And you....

Yes, dear alien who looks like a dictator, that for some reason I like?

SHUT UP!!!!!!!

Very well! Now I only need to wake up from this catatonic state....

And what will you do then? What will you do against the cats? You only ever manage to delay the end of the world!

Because you only ever send me to put out fires, and I have no time to solve the basic problems!!

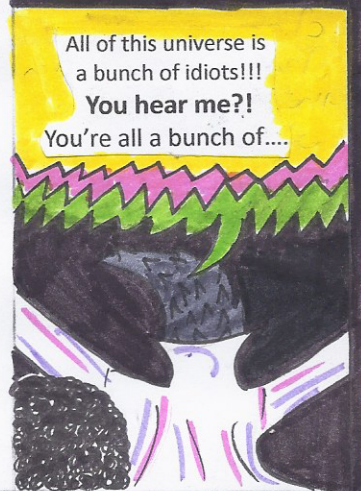

You keep and blaming others complaining all the time!

That's right!
I have every right to blame others, because all the others are idiots!!!

All of this universe is a bunch of idiots!!!
You hear me?!
You're all a bunch of....

Huh?!

Snail!!!!!! Where are we?

At warp. The cats
are fighting there!

and they don't notice
that there is no moar laser?

This isn't matter
for them anymoar...

Listen
to me,
stupid
cats!!

Your job is to guard the universe,
not to destroy it!

If you are not able to do it,
so go to another dimension
or something, **and stop
blowing our suns!!!!**

HELP!!!

I had enough!!! I want to get rid
of the stupid cats, of the Most Evilists,
I want the aliens of the universe
to have some brains! I want to get rid
everything that pisses me off,

And most of all,
I want my body back!!!!!

Huh?!

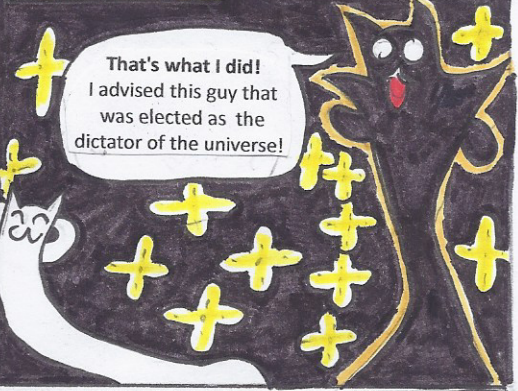

Will you stop with all that noise!?
 You've ruined my uninterrupted streak of over 9,000 years of sleep! I almost broke my record!

Sorry, master....

Tacgnol!
 You're supposed to advise, not to interfere!

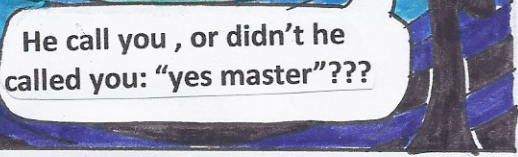

That's what I did! I advised this guy that was elected as the dictator of the universe!

Did he or did he not called you: "yes master"?

But...

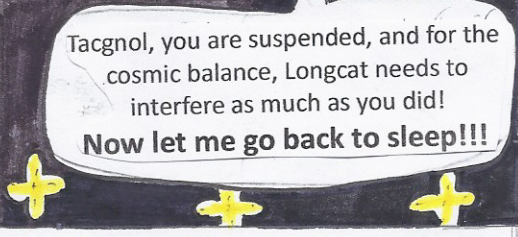

He call you , or didn't he called you: "yes master"???

Sorry... I just really like it when they call me "yes master"...

Listen to the word of the Ceiling Cat!

Tacgnol, you are suspended, and for the cosmic balance, Longcat needs to interfere as much as you did!
Now let me go back to sleep!!!

Nyaaaaaaa!!!

Everybody dance!!!

I need a theme party!

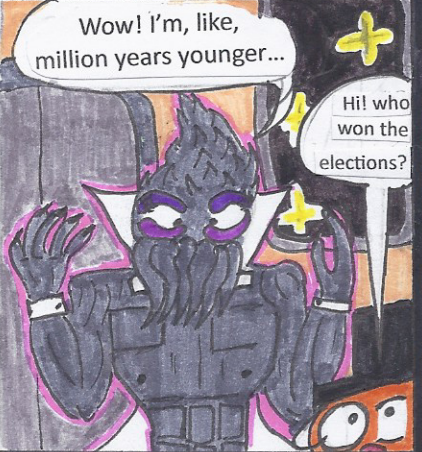

A theme party!

And Xenu... You were nice, so you get your body back!

Wow! I'm, like, million years younger...

Hi! who won the elections?

You are a pirate!

What have I done now....

You're being born!

And you're being born!

And you're cured!

He looks just like me!
What should I do with him?
What does he eat?

She looks just like me!

Longcat,
couldn't
you made
me
fatter?

Now *they* are the workers
and *you* are in the party!
Make promises for them!

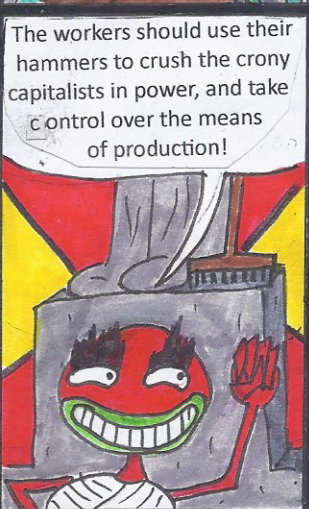

So what do you
think *now* about the
minimum wage?

and let's cure you because to be
honest, you're really annoying...

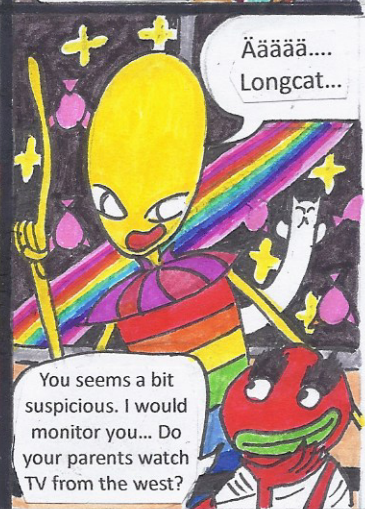

It's the
media....

The workers should use their
hammers to crush the crony
capitalists in power, and take
control over the means
of production!

Ääää...
Longcat...

You seems a bit
suspicious. I would
monitor you... Do
your parents watch
TV from the west?

Here I come....

When you feed the poor, they call you a saint. But if you ask why the poor have no food, they come after you...

Those who don't want to serve in the army should be imprisoned and I'm saying this because I'm an anti-militarist!

I personally do not wish to torture you to death, but it's written in this book that anyone who has sex should die, so what can I do??

You don't really need to be green, just call yourself green, and then you could throw people off the roof and no one will criticize you...

I'm asking again: Where are the stones???

You will never know...

Are those cloth diapers?

Don't worry, there is no difference between the inside of prison and outside of prison.

We need to kidnap babies that belong to single mothers!

We need to establish a special committee and send the conclusions of this committee...

I would not recommend electrons to split from protons.

We demand to split!

Yeah, right...

Nyaaaaaaaaaaaaaaaaa!!!
Party!!!

Refusing to sleep with a woman because she used to be a man is sexual harassment!

In Paris you eat croissant, right?

What does that even mean?!

Read my comics,
PWEEEEEESSSSE!!!!!!
